

**WAUKEWAN AND WINONA WATERSHED PROTECTIVE  
ASSOCIATION**

**MEMBERSHIP FORM**

**MISSION STATEMENT**

The Waukewan and Winona Watershed Protective Association's mission is to encourage and support long range planning, responsible lake level management and sound conservation techniques to preserve the ecology, environment and natural beauty of the Waukewan and Winona Watershed. It serves as a voice for its members in matters of group concern with regard to the environment and seeks to assist with scientific studies, education programs and the preparation and dissemination of educational materials.
